Story Telling Activity

Dear Parents,

We will be conducting a **Story Telling Activity** for our students on **12th Jan 2020**. Each student should narrate a short story with a moral to the classmates. Please take note of the following guidelines and prepare your child accordingly.

- The time limit is 3 minutes per student (please adhere to the time limit so that all students get an opportunity.)
- Costumes are not allowed. However, a puppet / small prop, if necessary may be used.
- Actions and expressions while narrating the story are encouraged.
- Parents should prepare the child for the activity. Rigorous practice will be needed at home.

Regards

TSK
